# Director's Desk

**Prof. (Dr.) Jaskiran Kaur**  
Campus Director,  
NMIMS Chandigarh

Greetings from NMIMS Chandigarh, the first private university in Chandigarh and a pioneer in providing industry-relevant education. I am delighted to welcome you to our campus and share some of our institution's salient features.

NMIMS Chandigarh is a part of the NMIMS family, which has a legacy of over 42 years in the field of education and has been ranked among the top universities in India. We draw inspiration from our Mumbai campus, which has been a leader in offering avant-garde Industry 4.0 programs, state-of-the-art labs, regular curriculum updates in keeping with industry trends, international collaborations, unique pedagogy that focuses on experiential learning, and robust industry connections. All this ensures that the students graduating from NMIMS Chandigarh are aligned with the future industry and job market requirements. All the programs offered by the campus are based on AI technology and application-based tools.

The campus presently has three operational schools – School of Technology Management and Engineering (STME), School of Commerce (SOC), and School of Law (SOL), offering six cutting-edge programs, promising bright leaders at the forefront of technological advancements.

The School of Technology Management and Engineering (STME) understands the significance of keeping up with the latest technological advancements in engineering. Therefore, it has equipped its campus with a modern physics and 3-D Lab specifically for the B. Tech Computer Engineering and B. Tech Computer Science and Engineering (Data Science) programs.

The School of Commerce (SOC) provides the BBA and B Com programs while offering students a choice of specialization in marketing and finance roles in their 3rd year. The Business Analytics program strongly emphasizes hands-on experience with analytics tools such as Jamovi, Orange, SAS Enterprise, MS- Excel, and SPSS. The program also includes advanced topics such as machine learning, data mining, visualization, and big data analytics.

The School of Law (SOL) offers the BA LLB (Hons.) and BBA LLB (Hons.) programs, which are designed to equip students with the knowledge and skills required to excel in the legal profession. The programs also expose students to various aspects of law, such as constitutional, criminal, corporate, international, human rights, and environmental law. The programs also provide opportunities for students to participate in moot courts, legal aid clinics, internships, and research projects.

You will find your time at NMIMS Chandigarh rewarding and enriching. Please make the most of the opportunities and facilities available and strive for excellence in everything you do.

I wish you all the best in your future endeavours.

# School of Technology Management & Engineering

| Course   | Duration |
|--|----------|
| B.Tech Computer Engineering                            | 4 years  |
| B.Tech Computer Science and Engineering (Data Science) |          |

## Program Features

- Curriculum with good blend of Engineering, Mathematics, Analytics Management and general education leading towards the focused skillsets of Data Science.
- Opportunity to build the career as Data Scientist, Software Engineer.
- Industry internships and industry-based project works are arranged as a part of the broader curricula to facilitate recognition and rewards to the students in the form of job offers or supportive background for further studies and research.
- Ongoing upgradation of syllabus to include advancements in technology.
- Well-equipped modern library with a huge collection of books, periodicals, audio visuals and other e-resources predominantly related to management, engineering and allied subjects.
- Academically strong, highly experienced, well qualified and research oriented faculty.
- The campus with a modern physics and 3-D Lab.

## Eligibility Criteria

- 10+2 or equivalent exam with 45% marks in Physics, Maths & Chemistry/Vocational Subjects.
- Those awaiting their 10+2 or equivalent examination result may also apply.
- Candidates with Diploma in Engineering with minimum 45% marks are eligible to apply.

For registration: <https://www.nmimschandigarh.org/stme/>

# School of Commerce

| Course        | Duration |
|---------------|----------|
| BBA (Hons.)   | 4 years  |
| B.Com. (Hons) |          |

## Program Features

- Rigorous, Innovative and updated Course Curriculum according to Industry requirements and global perspective.
- Cutting-edge subjects like Data Analytics, Investment Management, Strategic Management, Digital Marketing,
- Innovative teaching pedagogy complemented by practical exposure via Internship, guest lectures and Hands-on training for experiential learning.
- Computer based teaching and examinations for practical subjects.
- Student driven Clubs and associations for holistic personality development.
- One of the key factors that we develop amongst students is adaptability and hence, flexibility towards advanced training.
- Knowledge is imparted by using an innovative approach towards lectures giving, on the job experience through internship and complement class room teaching by organizing guest lectures and practical demonstrations relevant to gaining an elevated understanding of the subject in relation to its practical environment.

## Eligibility Criteria

- Minimum of 50% aggregate marks in 10+2 or equivalent examination with Mathematics / Statistics subject mandatory.

For registration: <https://www.nmimschandigarh.org/school-of-commerce/>

In accordance with NEP 2020 guidelines, NMIMS University will be introducing a 4-year duration degree program (UG) from the academic year 2024-2025 with a focus on research / multi-disciplinary focus in the 4th Year. The students successfully completing this program will be offered Honor's degree in their respective disciplines.

Students will be provided with exit option after 3 years. A student pursuing a 3-year degree will not be eligible Hons. Degree. Students who are interested in pursuing a four-year Hons. Degree have to indicate their preference at the end of the 2nd year of the three-year program.

# School of Law

| Course                | Duration |
|-----------------------|----------|
| B.B.A., LL.B. (Hons.) | 5 years  |
| B.A., LL.B. (Hons.)   |          |

## Program Features

- Syllabus is prepared under the joint supervision / guidance of academicians, law firm partners / representatives, judiciary and industry representatives as per demand of the time.
- Elective courses from emerging areas of Law.
- Courses on critical thinking & legal writing to develop practical skills.
- Moot courts acquaint students with simulated courtroom scenarios, legal drafting, counselling, and other practical aspects.

## Eligibility Criteria

- Minimum 50% aggregate marks from any stream.

For registration: <https://www.nmimschandigarh.org/school-of-law/>

# International Linkages

The NMIMS Department of International Linkages (DIL) fosters partnerships with premier institutions around the world to enhance NMIMS standing as a world-class institution.

Further details are available at <https://engineering.nmims.edu/mpstme-international-linkages/>

Students can fill in the enquiry form on that website if they have any further queries.

The Universities abroad with which MPSTME has MoUs are given below:

CHANDIGARH

Plot No -5, Education City, Opposite Botanical Gardens,  
Adjacent to Govt Senior Secondary School,  
Sarangpur, Chandigarh, Pin-160014.
