Kushagra

An Inter School Quiz - 2nd Edition

The driving philosophy for NMIMS has been to innovate and create educational programs that are relevant to the needs of the industry and society. The fast-changing global macrocosm and academic narrative necessitates that we as Edu-leaders have a significant role to play towards the development of a community of sustained learners.

Given this backdrop we at NMIMS have conceptualized "KUSHAGRA-An Inter School Quiz". As the original root word in Sanskrit refers to one who is intelligent and sharp, the Quiz shall focus on harnessing a participant's latent ability to think out of the box-deduce an answer and above all connect the dots based on one's level of awareness.

The Quiz is all about the journey that we envisage a student undertakes towards their progression as critical thinkers, analytical thinkers, logical thinkers and most importantly, lifelong learners.

The first edition of Kushagra held through the period January 18th to January 28th 2023 saw an unprecedented response and witnessed participation of more than 1000 students from 85+ prominent schools from across India to mention the regions Punjab-Chandigarh-Delhi-NCR-Jaipur-Varanasi-Kolkata-Telangana and drawing inspiration from the same NMIMS Chandigarh envisages the 2nd edition of Kushagra to be an event of a grander magnitude.

The brief details of the 2nd edition of Kushagra being :-

- First phase shall be held under the virtual mode and second phase shall be held physically at campus.
